**Course Policies (Attendance, etc.):**

Expectations: Students must actively participate in class in order to contribute effectively to group work and to benefit from this course. Students with more than 3 unexcused absences may be required to withdraw from the course. Missing class (lateness or

absence) will result in deductions in the participation grade. Excessive lateness or absence that affects your ability to meet your class responsibilities may cause you to be required to withdraw from the course. Lack of participation will negatively affect grades.

**Participation:** Participation means coming to class prepared and on time, taking part in all class activities and assignments, listening to others and taking part in discussions. This class will be built around participation individually and as a member of pairs or groups. Students whose absences are excused must provide extra written work to make up for lost time in class interaction. If you are part of a team, you must keep teammates informed if you will be absent so that they may work effectively without you.

**Plagiarism and Intellectual Honesty:** Plagiarism is representing some else's work (words, ideas, or images) as your own. It is a very serious error, and plagiarized work is not accepted in this course.
