Course Policies

A student who misses more than five lessons will not be able to pass the course. If an absence is officially excused (i.e. the student has a doctor's note or some other legitimate reason for being absent), it is not counted as an absence. The maximum number of officially excused absences is three. You should keep in mind that if you are late to class three times, this counts as one absence.

If you are absent from a lesson, please contact me to find out what was studied in the lesson and what the homework assignment is.

Homework assignments that are submitted late will lose 10% of the maximum score for each day that they are late. For example, if an assignment that would normally be worth a score of 8 out of 10 is submitted two days late, the final score will be 6 out of 10.

Class Preparation and Review

Students are expected to spend at least one hour preparing for every hour of lesson, and one hour reviewing and doing homework.
