# Towards Permanent Peace on the Korean Peninsula

Lecturer

Consul General of The Republic of Korea in Hiroshima

H.E. Dr. Sunpyo Kim

Recently, big and significant steps are being taken toward the permanent peace on the Korean peninsula. Last year, in 2018, a historic meeting between the two supreme leaders of D.P.R.K. and U.S.A. took place in Hanoi. And this year 2019, the Korean president, U.S.A. president and North Korea's top leaders met in Panmunjom, which was both very historic and symbolic. The lecture will look at the legal and political issues surrounding de-nuclearization and peace-building on the Korean peninsula.
